10th February 2019

Press Release

Bigger and Better

Friends of British & European Car Day.

05 /11/2018

Last year saw a good turnout of European cars despite the very average weather. We expect this number to get even bigger as the years go on.

This year we are working with Ray Hartley to put on a very special display of race cars remembering the days of the Wellington Street races of the 80's and 90's as well as music, trade stands and commercial car displays all for your enjoyment.

The Citroën car club is putting on a very special display of Citroën, It is 100 years of Citroën cars.

Funds raised go to the Wellington Free Ambulance who service most of Wellington, the Kapiti Coast and Masterton.

This year we were very happy to donate \$4,000.00 to this worthy cause in the hope we never need to use the service.

The committee looks forward to seeing you at the 2019 B&ECD on the

10th February 2019 at Trentham Memorial Park, Upper Hutt.

Yours sincerely
